

ALL ROADS LEAD TO **SPRING LOGISTICS**

WHO WE ARE

Spring Logistics is the in-house logistics partner that provides brokerage services for Young's Plant Farm, a state-of-the-art, family-owned, plant farm located in Auburn, Alabama. We provide quality transportation solutions that enhance our logistics partners' transportation goals. Our goal is to recruit carrier partners, develop long-lasting relationships with our partners and deliver goods throughout the Southeast.

WHAT WE OFFER OUR CARRIER PARTNERS

SPRING LOGISTICS PROVIDES:

Quick Pay

No Load Boards

Home Time

Personalized Dispatch

24/7 Roadside Assistance through Penske

Well-Maintained Trailers

PENSKE BENEFITS EXTEND TO OUR CARRIERS

Because our carriers haul Spring trailers, they directly benefit from our relationship with Penske.

- 24/7/365 Roadside Service with Shops across America
- Comprehensive Maintenance Program

THE TOUCH FREIGHT DIFFERENCE

As a touch freight provider, meaning drivers are directly involved in the loading and unloading of cargo, Spring Logistics offers hands-on service, ensuring greater operational control, efficiency and care throughout the transportation process. Plus, it can serve as a welcome change of pace for drivers after spending long hours behind the wheel.
